Emergency Room Autopay List

The MedStar Family Choice Emergency Room Auto-Pay List effective for dates of service on and after December 15, 2023, will be available on the MedStar Family Choice website at <https://www.medstarfamilychoice.com/maryland-healthchoice/for-maryland-healthchoice-physicians/claims/claims/emergency-room-auto-pay-list/>.

Please note that claims for emergency services with a primary ICD-10-CM diagnosis code on the auto-pay list will be paid without further documentation for the appropriate dates of service. Claims with a primary diagnoses code not on the auto-pay list will require submission of medical records and will be reviewed prior to adjudication.

MedStar Family Choice reserves the right to audit claims in accordance with Maryland regulations for consistency between clinical documentation and information presented on the bill (including the reported diagnosis).

Any newly added ICD-10 code is identified in the column labeled “Comments” and labeled as “New ICD-10 as of 10/1/2023. Effective as of 12/15/23 for ER Auto-Pay”. Please ensure you review the list as there were some ICD-10 codes were added from last year.
